

September Board Nominations and October Election

It is not too early to begin thinking about September Nominations and the October Election. If you are interested in helping ACSA by making yourself available for any of the three elected positions or if you wish to encourage someone to consider one of these positions, please start having those conversations now. Having a smooth transition with all positions filled in October will benefit all club members and is especially important this year as there are three open elected positions. The current board members are available to answer questions about duties, skills needed and time commitments for any of the open positions. We look forward to talking with you!
