Stage Conventions:

"Default" starting position is standing upright, hands at sides and not touching anything unless otherwise indicated. "Default" is still required for the rest of your body when hand(s) have a specific position. i.e. "hands on hat" does not allow shooter to be bent over the gun.
"At the ready" starting position is standing any way shooter desires, not touching ammo or guns.

Starting position is at center of position unless otherwise indicated.

For lateral movement, to be in position at least one foot must be behind prop.

For downrange movement, to be in position shooter must be close enough to the prop to ground or stage a gun without taking a step. Duelist may rest butt of shotgun on prop instead of staging.

Targets are to be engaged as specified unless stage instruction provides options. EXAMPLE is provided for clarity when there are options.

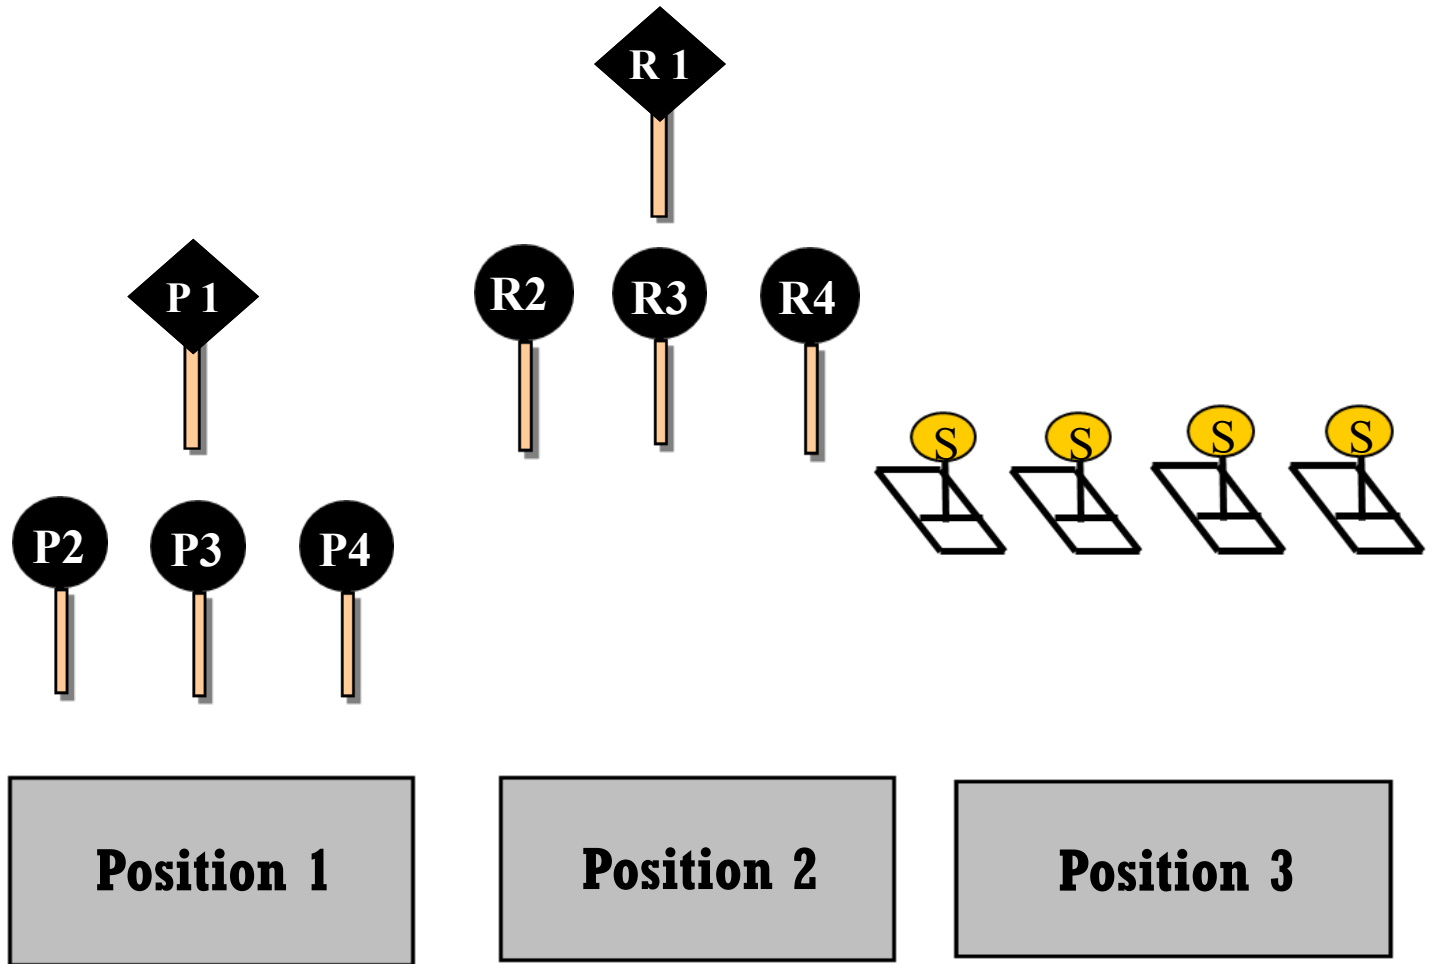

Comstock Rules: All S/G targets MAY be re-engaged "Comstock Rules." S/G targets may be re-engaged at the end of the shotgun string or at the moment they've been missed, unless the stage description says otherwise. S/G targets should be re-engaged from where they were initially engaged.
